

## Chapter Services Fee Grid

Each STTI chapter is charged an annual fee, which helps cover the cost of various services provided by STTI headquarters. These services assist each chapter in efforts to recruit, engage and retain members. The fee is automatically deducted from a regularly scheduled chapter renewal fee disbursement, sent to each chapter by STTI headquarters. The below fee scale amounts will be removed from the September chapter check.

## Frequently Asked Questions

**Q:** How is the number of active/dues-paying members determined?

**A:** The number of members for a year is determined by the number of active members in a chapter as of June 30 of that year.

**Q:** When do chapters have to pay this fee?

**A:** All fees will be deducted from the renewal fee disbursement in September. Should the amount due exceed the amount to be paid to the chapter, an invoice will be issued.
