Content Outline Example (this format is an example only, there is NOT a required format)

I.   Introduction
        A.   Example_____
        B.   Example_____

II.   Body
        A.   Main Point #1_____
                1.   Supporting point #1_____
                        a)   _____
                        b)   _____
                2.   Supporting point #2
                        a)   _____
                        b)   _____
        B.   Main Point #2_____
                1.   Supporting point #1
                        a)   _____
                        b)   _____
                2.   Supporting point #2
                        a)   _____
                        b)   _____
        C.   Main Point #3_____
                1.   Supporting point #1
                        a)   _____
                        b)   _____
                2.   Supporting point #2
                        a)   _____
                        b)   _____

III.   Conclusion
        A.   Example_____
        B.   Example_____
