Award Criteria

Where are the award criteria sheets?

Each award criteria sheet is found on the Sigma International Awards for Nursing Excellence page: <https://www.sigmanursing.org/advance-elevate/awards/international-awards-for-nursing-excellence>

Awards are divided into six categories. Criteria sheets can be found under each heading.

Does the nomination need to fulfill all of the criteria points?

Nomination should show evidence of meeting a majority of the criteria.

I am a board member of my chapter. Can I still submit a nomination?

Only current Sigma International Board of Directors, Sigma staff, Sigma consultants and contracted staff, and members of the judging committee are ineligible to submit a nomination or be nominated.

Submitting a Nomination

How do I submit a nomination for the 2019 International Award?

Nominations are submitted through an online system: https://stti-awards.confex.com/stti_awards/intl2019/cfp.cgi

Is there a hard copy entry form?

No. All entries must be submitted through the online system. Entries mailed to Sigma will not be reviewed.

How do I start an online entry?

You can start an award nomination by clicking the "Submit an entry" button on the International Awards page. You will then select the award category and click "Submit an entry."

How do I nominate a group, chapter, team or organization?

Some Sigma awards accept nominations for a group; please confirm eligibility on the criteria sheet. To submit a group nomination, select the award and begin entering the nominator information. When asked to enter nominee information, select "group nominee." Be sure to include the name of the group being nominated (e.g., Omega Omega Chapter, 3rd Floor Nurse Leaders, etc.) You will need to enter at least one individual's name and email as the primary contact, so Sigma can notify him or her after the review process. This can be yourself or another individual in the program. It is the primary contact's responsibility to communicate award information to other contributors.

If you are nominating a small group (a floor unit rather than an entire organization or chapter), you should provide the contact information of each member of the group.

I started a submission but had to stop. Can I return to the same entry?

Yes. Using your Entry ID (4-digit number) and Entry Password (6-digit number), you can log-in to a nomination until the system closes on 1 March 2019 (11:59 p.m. EST).

What is my Entry ID and Entry Password?

The Entry ID and Entry Password are emailed to the email address entered by the nominator when an entry is started. You can also view them in the top-left corner of the nomination page. Please contact awards@sigmanursing.org if you have lost your Entry ID and Entry Password.

Can I view, edit, or withdraw my nomination once it is submitted?

Yes. You can view, edit, or withdraw your submission through the 1 March 2019 deadline.

I've withdrawn my entry but already paid. Can I get a refund?

No. The entry fee is non-refundable.

What is the "supporting narrative"?

The supporting narrative is a 1-2 page summary, written by the nominator, describing how the nominee meets the award criteria. This is the nominator's opportunity to write a letter of support.

Can I submit more than two "letters of support"?

No. The judges will only read two letters.

What is the "letter of acceptance"?

This is a statement from the nominee or a representative of the nominated team/organization that he or she will attend Sigma's 45th Biennial Convention near Washington, DC, USA in November 2019.

What is the "supporting documentation"?

Any documentation or summaries that provide direct evidence of meeting the award criteria are "supporting documentation." This includes videos, writing samples, articles, photos, etc. This is an opportunity to expand on the summary provided by the supporting narrative. Additional letters of support will not be considered.
