AWARDS JUDGING SHEET

Academic Healthy Work Environment Awards

ENTRY NAME:

CRITERIA

Development of a healthy work environment as demonstrated by:

• Creation and evaluation of new programs with demonstrated involvement of faculty, staff, and/or students
• Sustained programming addressing the academic workplace considering faculty, staff, and/or student-identified needs
• Results from faculty and/or staff satisfaction surveys indicating improvements in satisfaction over time

Evidence of positive student outcomes demonstrated by:

• Student satisfaction surveys done by a third party
• Student achievement reports as applicable
• Evidence of full accreditation of the academic program(s) where relevant
• Attestation from faculty and/or students

Points awarded = Total points available = 30
