

## Board Matters October 2018

**Dear Sigma Members,**

The board of directors met on Monday, 22 October 2018 via conference call. Following are the outcomes and announcements from that meeting.

### **FY18 Combined Auditor's Report and Letter**

A representative from Greenwalt, CPAs reviewed the auditor's FY 2018 report and letter with the board. The Corporate Audit and Accountability Committee (CAAC) and subsidiary boards reviewed the audit materials prior to the call. The board approved the audit as presented.

### **Global Strategy Summit – Geneva, Switzerland - 11-12 October 2018**

Summit attendees gave an overview of the meeting. Its purpose, from Sigma's vantage point, was to develop a foundation for collaborative engagement with key nursing and midwifery organizations. The Strategy Summit was successful, and attendees are optimistic for future collaborations.

Respectfully submitted,
