

How to create an account

1. Go here: <https://identity.sigmanursing.org/registration> to register for your free Sigma account. You will be asked for your full name, email, and address. **Please note that if you are already a member and have an account, use the blue link near the top of the registration form to log in to your existing account.** Once the form is filled out, select “Register” at the bottom of the form.

The image shows a registration form for Sigma. At the top is the Sigma logo, which consists of a blue laurel wreath above the word "Sigma" in a large, bold, blue serif font. Below "Sigma" are the words "GLOBAL NURSING" and "EXCELLENCE" in a smaller, blue, sans-serif font. Below the logo is the text "Register to access Sigma's free resources." and a link for "Sigma Members: Please login to access your benefits." The form itself contains several input fields: "First Name", "Last Name", "Email Address", a dropdown menu for "Country" (currently showing "United States of America"), another dropdown menu for "Region" (currently showing "Armed Forces Americas (except Canada)"), "Street Address", "Street Address 2", "City", "Postal Code", "Password", and "Confirm Password". Each of the last four fields has a small red eye icon to its right, indicating a password visibility toggle. At the bottom of the form is a large, dark blue button with the word "Register" in white text.

2. Once you have registered you will automatically be taken to the courses page. Here you will see all the courses you have access to. Near the top of the page there will be five highlighted courses surrounded by a blue box. These courses have been made free to all nurses who make an account with us to help in this stressful and unprecedented time.
