### Report Submitted by Constance Sobon Sensor, Sigma United Nations Liaison

The purpose in attending these meetings was to network and gain knowledge about the work of non-governmental organizations (NGOs) in line with the conference theme and the [six review themes](#). On 26 July, I also attended the [Coalition for Global Citizenship 2030](#) (CGC2030) monthly meeting. The CGC2030 meeting focused on evaluation of engagement at the [high level political forum](#) in July, and engagement with the upcoming NGO Conference.

By participating in the meetings and committee work Sigma expands its reputation and presence at prestigious United Nations events.
