

Sigma Theta Tau International  
**Honor Society of Nursing®**

A student is invited to the honor society based on grade point average, rank in the top of the class and completion of half of the nursing courses in the undergraduate program or one quarter in the graduate program.

Community members who are invited must be a nurse leader and a registered nurse, with a minimum of a baccalaureate degree or the equivalent in any field. They have to be nominated by the Governance Committee of the honor society and must have demonstrated achievement in nursing.

Congratulations to each of our inductees! You are shining examples of scholarship, professionalism and integrity.

There are many benefits to your membership of the Psi Lambda Chapter and of Sigma Theta Tau International (STTI). These include: networking, leadership opportunities, career development resources and fellowship with your Resurrection University Learning Community and other STTI members throughout the world.
