

United Nations Activity Report

The [Commission on the Status of Women](#) held the parallel event “Empowering and Protecting Women Through Societal, Legal and Legislative Activity in the USA and Israel” on Tuesday, 12 March 2019.

Report Submitted by Pennie Sessler Branden, Sigma United Nations Liaison

This event was an educational presentation about what legal ramifications and power women have to decrease interpersonal violence for women and girls in the USA and Israel.

The topic pertains to [Sustainable Development Goals 3, 10, and 17](#) to improve conditions for women in the USA and Israel and the overlaps of potential opportunities to address these issues.
